

## Legion Plans 5th Annual Demos to July 4 Celebration at Beach Meet In Hattiesburg

Fifth annual Fourth of July celebration on the beach, under auspices of the American Legion, will get underway at 5 p.m. Tuesday and continue through Wednesday, Fred E. Fayard Sr. and John Rutherford Jr., co-chairmen, said this week.

Chairman Fayard said plans for the celebration had been completed, and that all indications point to one of the biggest celebrations yet.

Among games and booths will be a fish pond, a baseball throw, a novelty booth, a country store and a ring toss, Fayard said. "We have games and contests for all tastes and ages, and prizes galore," he declared.

District Attorney Boyce Holman will be guest speaker, and will deliver an address at 5:30 Wednesday afternoon.

And if anyone gets hungry or thirsty, that will be taken care of, too, he added. Plans include all sorts of eats, such as a candy booth, a cake booth, snowballs, ice cream and popcorn. "Plenty of cold drinks of all kinds, too," the chairman said.

"A tremendous display of fireworks that will certainly be worth seeing will wind up the festivities Wednesday night," Fayard concluded.

## No Tax Hike Involved In Street Bonds Declares City Sales Tax Slated To Foot The Bill

The ECHO was informed by the members of the Commission Council that they had heard that certain individuals were circulating petitions against the bond issue for the improvements, and Mayor Scafide, Commissioners Glover, a Mr. Traub jointly stated, "we sincerely hope that the individuals being approached are not being misled about the facts. Certainly the people who have been living on dirt streets in Bay St. Louis, and the public as a whole who drive these streets, should be given fair consideration in this matter. We have given this matter careful consideration; we had a competent engineer to determine the cost and feasibility of the work; a bond issue is the only way the work can be successfully done; there will be no increase in taxes; we have done our part in submitting it to the people and we sincerely feel that it is to the betterment and progress of the entire city."

The City Commissioners of the City of Bay St. Louis unanimously passed a resolution at its regular meeting held on June 4th setting forth the intention of the City to issue bonds of \$50,000 for the purpose of repairing and hard-surfacing the following streets, most of which are presently dirt streets:

Railroad Avenue (from Washington to City limits)  
Ramona Street  
Carroll Ave. (resurfacing)  
State St.  
Hancock Ave. (Dunbar to City limits)  
St. George  
Webster  
Leopold  
Sycamore (from O.M. Highway to city limits)  
Caron Lane  
Easy Street  
Fellerly (Dunbar to City limits)  
Ruella  
Thomas Street (Dunbar to City limits)  
East of Dunbar  
Austin Lane  
Citizen St.  
(Old Spanish Trail to City limits)  
Kellar Street  
Booker to St. Francis  
Watts Street  
Union Street (From Necaise to Marti)  
McDonald's Lane  
Julla Street (Dunbar to City limits)  
Carroll Ave. (From Dunbar to U. S. 90)

Notice of the intention of the City has been published for the past 4 weeks, and unless a written protest is filed by twenty per cent of the qualified electors of the City on or before Monday, July 2nd, advertisement will be made for the sale of the bonds.

The City has already had a survey made of the estimated cost of the proposed improvements, including surface drainage, by a highly recommended registered Engineer, who supervised similar work for the Cities of Pass Christian and Long Beach.

## Bell Plans \$300,000 Dial Phone Service for Bay Within Year

DIAL DREAM OFFICE—Architects Warren, Knight and Davis' conception of the new Southern Bell Telephone and Telegraph Company dial office to be built in Bay St. Louis at the corner of St. Francis and St. John streets within a year.

Southern Bell Telephone Co. will spend \$300,000 in the next 12 months to provide modern dial telephone service to Bay St. Louis, according to manager J. C. Dabney.

A new telephone building will be erected at the corner of St. Francis and St. John streets, Dabney said, and installation of dial equipment is expected to require several months.

He said a contract already has been let for the construction of the new building, and that plans call for the dial system to be in operation by May, 1957.

A major part of installing the dial system will require new outside equipment. Telephones of all subscribers must be converted to dial operation. Some of these will be installed well in advance of the actual conversion, but they will be used as manual telephones until the actual change to dial operation is made.

## Waveland VFD Express Thanks

Waveland Volunteer Fire Department this week expressed thanks to business firms and individuals who helped them make their recent benefit dance a success. "We wish them to know that this department deeply appreciates their cooperation," a spokesman for the group declared.

Donations were received as follows:

Town of Waveland, \$100; Hancock Board of Supervisors, \$100; Colson's Seafood, \$5; Meystayer Lumber Co., \$10; Bob Sanders, \$5; J. T. Prowell, \$5; M. J. Ruppell, \$5; Walter Coulter Sr., \$5.

Tickets were sold as follows: Chadwick Trading Post, \$9; Bob's Service Station, \$21; Eddie Lulei, \$4; C. O. Buford, \$19; Pat Toomey, \$4; Herlich Mercantile Store, \$5; Waveland Drug Store, \$10; McVillere, \$21; Gulf View Fishing Camp, \$10; Oswald Villere, \$22; Wallace Bourgeois, \$25; Scrimshaw's Food Mart, \$5; Cusner's Hdw. and Laundry, \$5.

The fire department also expressed thanks to Dixie Fast-food, Regal and Jax Distributors, and 7-Up and Coca Cola Distributors for their donations, and to Ed P. Orte, who donated his Top Hat Club to hold the dance.

Gross from the dance was \$793.06, including donations of \$240, receipts at door \$100, tickets sold \$238, miscellaneous cash \$7.50 and sandwiches \$6.50, bar \$147.06.

Total disbursements were \$80 for an orchestra, leaving a net profit of \$659.06, according to Mrs. Gladys Noonan, Secretary-Treasurer of the Waveland Volunteer Fire Department.

## Car Crashes Into Bay Bridge Toll Station Sunday

A Minnesota man suffered minor injuries when his automobile crashed into the toll station on the Bay St. Louis bridge Sunday morning.

Clarence Jeffers Sr. Paul, 45, escaped with minor injuries, which inflicted \$600 damage to the toll station and twisted his car beyond repair.

According to investigating officers, E. J. Joseph Pol and George Saxon, the accident occurred when Jeffers pulled into the south right lane, attempting to pass a line of cars and crashed into the station.

The dance is for Senior members only.

## YACHT CLUB SHIPWRECK DANCE SAT. JUNE 30th

The Bay St. Louis Yacht Club will stage the annual Shipwreck dance Saturday night June 30th, starting at 9 p.m.

This costume affair has become one of the high-lites of the Summer season for members of the club and their guests.

A grand march will be held at mid-nite, and prizes awarded for the most original costumes.

Music will be provided by an excellent colored orchestra from Thibodaux, La.

## Minnesota 4-Hers to Arrive Sunday

Thirty-six 4-H clubbers from the state of Minnesota will be guests in Hancock county Sunday, with sightseeing trips, a watermelon party and a buffet supper on the agenda.

The good-will exchange program was inaugurated by the governors of Mississippi and Minnesota five years ago and it was agreed that the two states would take turns sending 36 4-H club members on a 30 day trip each summer.

The group and two chaperones are winding up their trip which started in north Mississippi the first of June.

Bay St. Louis mayor John Scafide will meet the group Sunday morning at hotel Reed along with other city and county officials.

After the welcoming by officials the group will be treated to an afternoon watermelon party on the hotel lawn.

A tour of Bay St. Louis and its famous praline shops will be conducted by county officials and a buffet supper will be given Sunday evening at Darwood - on the Jordan, home of Dr. Emmett Irwin.

The supper will be prepared by Miss Ida Laura Garraway, home demonstration agent and a group of other ladies.

Monday the Minnesota group will visit Ship Island and New Orleans.

## Six Races Held

Results of a full sailing week of the Bay-Waveland Yacht Club were noted as follows:

Expert class, 1st race—Don Chamberlain Sr., Jack Gordon, Bill Gordon, Harry Chapman, Max Languland and Ed Heath fouled out.

Expert, 2nd race—Leo Seal Jr., C. C. McDonald Jr., Horace Chapman, Bob Hamilton and Jack Bell.

Expert, 3rd race—Harry Chapman, Leo Seal Jr., Max Languland, Dale Erwin and Sonny Wolfe.

Class A, first race—Len Chamberlain, Bill Watts Jr., Ben Bell, Carl Marshall and Bill Argus Sr.

Class A, second race—Ed Girard, "Doc" Quigley, Bert Patterson, Jim McDonald, and "Doc" McFarland.

Class A, third race—Bill Watts Jr., Bill Argus Jr., Chuck Morton, Claude Kohler and Kel Riess.

Skiff race—Betty Ann Gordon, Beth Doyle, Jeanne Cavaroe, Sue Sadler and Diane Suzeneau.

Joseph S. Howle, Soil Conservation Service, USDA, has returned to his headquarters in Bay St. Louis, Miss., after completing three weeks training at the Soil Conservation Service Training Center, University of Georgia, Athens, Georgia.

The Training Center is set up to assist the Soil Conservation Service of the South Eastern States in training their technicians to do a better job in the field. Twenty four men from eight states with five from Mississippi, attended the training course.

Howle said the training included studies in agronomy, engineering, biology, public speaking, soils, cartography, photo interpretation and forestry.

## COMPLETES SCS COURSE

Howard Simmons and Miss Garraway are in charge of the group in Hancock county.

## Skywatchers Seek Volunteers

Hancock county Ground Observer Corps group will begin a series of classes July 9th at the REA building, according to M. L. Hill, GOC director.

The classes will be conducted by the air force division of the GOC from Keesler AFB, Biloxi.

Volunteers for the county observers division are being sought. "We have an important job to do, and we feel that when people realize the importance of the Ground Observer Corps and the fact that they will be making an important contribution to the security of their country, they will volunteer a few hours of their time each week," said Mrs. Esther Oschmann, GOC publicity director.

"We don't receive money for our assistance, but the knowledge that our help is needed by the country, and that we may save thousands of lives and help keep our cities and industry from destruction is more than enough pay," Mrs. Oschmann continued.

"The thought of having our cities, communities and homes destroyed is far from being pleasant, but without arousing too much fear or despair it will be explained to you why we need a GOC system to help protect our way of life," concluded the director.

Volunteers for the program are asked to attend the class at the REA building, Main St., corner Hwy. 90, Monday night, July 3, at 9 o'clock.

TIME TO RENEW FISHING LICENSES

Randolph Bourgeois, local game warden, reminded fishermen this week that hunting and fishing licenses expire June 30.

He said he has licenses for sale at his residence, 447 Balfentine St.

## Waveland Blaze Razes Mollere Building Friday

A raging fire Friday night destroyed a one-story frame building at 140 Coleman Ave. in Waveland. The total loss was estimated at \$15,000 by the owner, Mrs. Charles B. Mollere Sr.

The house, built in 1905, had two offices, a collection agency operated by William Stanton, Waveland, and the Louisiana Wildlife and Fisheries, managed by James McConnell Waveland.

The blaze was discovered at 10:30 and the Waveland Fire Department was immediately summoned.

It was reported that the building was covered by insurance.

## NEW CEMETERY ABOUT READY

Work has been progressing quite rapidly in recent weeks at the new Gardens of Memory Cemetery on South Third St.

Formal announcement of the opening will be made soon.

## Death Plans No Holiday On 4th of July Weekend

Death will take no holiday this Fourth of July.

Independence Day is Mississippi's most costly holiday period in highway death, surpassing even Christmas-Day in needless-traffic slaughter, according to Commissioner of Public Safety Tom Scarborough.

Bay St. Louis police chief Alcine Sauter said that his department will be patrolling the city day and night in efforts to again, as last year, keep the city free from traffic fatalities.

Two city patrol cars, two-way radio equipped, will join a state wide effort of curbing all speeders and traffic violators, said Sauter.

"We are asked each holiday for a traffic death toll prediction based on past accident statistics, anticipated traffic flow, and road conditions," said Commissioner Scarborough at Jackson.

"Our most anticipated result made for last year, that only fewer will be killed, I pray that we are wrong and there will be more deaths than last year," he said.

Sauter said that the highway patrol will use all its facilities in combatting traffic law violations over the holiday, and said that "radar will be used extensively."

The 4th of July holiday officially starts at 6 p.m. Tuesday and extends to midnight Wednesday, July 4.

Motorists planning to be on the highway this fourth of July are urged by the Patrol to leave for their destination in plenty of time to avoid becoming (1) keep in mind that there will be heavy and some times congested (2) pass only when safe (3) don't tailgate, and (4) don't speed.

## NOTICE TO ADVERTISERS AND CORRESPONDENTS

In order that the SEA COAST ECHO Staff may properly observe the Fourth of July holiday, we will be

**CLOSED ALL DAY WEDNESDAY, JULY 4**

We ask that all advertisers and correspondents have their copy in no later than

**Noon Tuesday, July 3**

THE PUBLISHER

KNIGHTED—Sixty-five candidates of the Mississippi Gulf Coast Council of the Knights of Columbus were initiated into the group Sunday. A 7 o'clock Mass in the morning was followed by breakfast and the exemplification of degrees.

## Kramer-Hartsfield Wedding June 16

At five o'clock in the evening at the First Methodist Church on June 16, the wedding of Miss Betty Hartsfield to Airman first class James W. Kramer, son of Mr. and Mrs. George Kramer was solemnized before a large group of friends and relatives. Reverend Hartsfield, assisted by Keith Tonkel, a student minister, officiated at the double ring ceremony.

The church was decorated for the occasion with white gladiolus, majestic daisies and potted palms. Tall candleabra held lighted tapers.

Mrs. J. B. Goldman provided a program of nuptial music during the ceremony.

The bride, who was given in marriage by her father, was radiant in a waltz length gown of white tulle, fashioned with a fitted bodice and a very full skirt. Her fingertip veil of nylon illusion was held by a cap of lace. She carried a white Bride's Bible which held a cascade arrangement of white shattered carnations tied with white satin streamers.

Mrs. J. Worsley, Springfield, Illinois, the bride's sister was Matron of Honor and wore a gown of pale blue organza with groom's army post in Del Rio, a full skirt and fitted bodice.

She wore a picture hat of matching material and carried an arm bouquet of pink and blue carnations. The bridesmaids were Miss Eva Kramer, Miss Gail Herbert and Miss Carol Horton. They wore similar gowns and carried pink carnations. Little Miss Brenda Hartsfield was the flower girl and Delma Powell Jr., of Gulfport served as ringbearer.

Keith Tonkel was the best man and Wheeler Hartsfield, Delma Powell, Sr., Gulfport, Tom Jackson, Roy Webb and Albert Asher served as groomsmen and ushers.

The reception was held in the Recreation Hall of the church following the ceremony. Mrs. Hartsfield received the guests in a French blue lace gown worn with accessories. She was assisted by the mother of the groom, Mrs. Kramer, who chose a beige eyelet dress accented with blue accessories.

The young couple left on a wedding trip and for traveling, the bride wore a pink embroidered veil with pink hat and a corsage of pink carnations.

They will be at home at the groom's army post in Del Rio, Texas.

### Information

By R. G. (Manny) Hubbard  
Supervisor, Beat 5

There seems to be some misunderstanding among some of the so-called "delay" in getting a road to Highway 90, therefore, I feel it necessary to inform the public of the FACTS.

Two years ago, at the request of some of the citizens that I build a road, I had a survey made of a proposed road running straight out the Clermont Road to Highway 90. When the plat was made, several of the so-called "progressive" citizens objected because they wanted the road to pass in front of their property. My interpretation of progress has always been something that is done to benefit the community as a whole—NOT to benefit one or two individuals.

A road cannot be built without an easement from each person whose property is connected to the proposed road. This is in the form of a written permission. If several disgruntled citizens refuse to give permission for the road to built as the engineer has laid it out the project cannot be brought to a conclusion.

I, as your Supervisor, am willing, as I have been for the past two years when the request was first made, to build this road for your safety and convenience. It is now up to the people of Clermont Harbor to see that the property owners give permission for the road to go through.

Mrs. E. J. Gilly and children of New Orleans are spending a few weeks with her parents, Dr. and Mrs. E. E. Allgeyer. Mr. Gilly will join them on the weekends.

Mrs. Leo Cope and children, Judy and Leo, Jr., of Marksville, La., have returned to their home after spending a week with Mr. and Mrs. Paul M. Miller. Mrs. Cope and Mrs. Miller are sisters.

**ELDON N. MAILEY**  
AT WEST POINT N. Y.  
Army Sergeant First Class Eldon N. Mailey, 23, son of Alphonse G. Mailey, Route 1, Pass Christian, Miss., recently was assigned to the 1st Regimental Combat team at West Point, N. Y.  
A tank commander with the unit, Sergeant Mailey entered the Army in 1952 and returned to this country from a tour of duty in Europe in May of this year.

### Kiln Baptist Church News

Shiloh Memorial Baptist Church in Kiln ended a most successful one week revival Sunday, with an all day meeting at the church. After the morning service, dinner on the grounds was enjoyed by everyone.

At 3:00 a baptizing service was held in the swimming pool of Dr. C. M. Bannister. A message was brought by Rev. Tom Lee, song leader during the revival, just before nine persons were baptised by Rev. R. L. McNamee, pastor of the church. Over one hundred attended this service.

One hundred and five attended the morning service, which was held in the new church building.

building, as was the revival which was preached by Rev. S. P. Powell of Cessar. Record attendance during the week was one hundred and sixteen.

Every Sunday morning at 10:00 Sunday School is held with classes for each age group. At 11:00 church service begins. This Sunday morning the pastor will preach on "The Perseverance of the Saints". At 6:30 Baptist Training Union begins and at 7:30 night preaching follows. Sunday night the pastor's message will be "The World to Come," after which the observance of the Lord's Supper will be held.

A midweek Prayer Meeting is held each Wednesday night at 7:30.

Everyone is cordially invited to attend any service at any time.

## Don't Be Misled These Are The Facts:

The Commission Council was informed by reliable sources, that certain individuals who are circulating petitions protesting the issuance of \$50,000.00 of bonds for street improvements are grossly misrepresenting the intent of this petition. Many people are being told by these individuals that this petition is a protest against THE RAISING OF TAXES.

The Commission Council issued a statement at the time the declaration of intention to issue bonds was published, stating that the issuance of these improvement bonds WOULD NOT COST THE TAX PAYER OF THE CITY OF BAY ST. LOUIS ONE CENT ADDITIONAL TAXES; that the cost of paying these bonds will be borne entirely by REVENUES RECEIVED FROM THE CITY SALES TAX.

In September 1954, the voters of Bay St. Louis voted overwhelmingly in favor of a one-half cent City Sales Tax and the revenues from this self imposed tax, were pledged to do the following improvements:

1. Hard surfacing of existing dirt streets.
2. Increase wages of city employees ten percent (not City Commissioners.)
3. Provide funds to assist in the construction and maintenance of a hospital.
4. Purchase and develop a site for a cemetery.
5. Re-surface streets which are in dire need of repair.
6. Widen the first block of Main Street to alleviate traffic congestion.
7. Improve surface and storm drainage and natural drains.
8. Hard surface Railroad Avenue to the City limits.
9. Increase financial support toward the City-County Memorial Library.
10. Provide funds for the City's pro rata share for employing a Youth Counselor.

Of the above ten proposed improvements promised by the Commission Council, the following have been accomplished:

1. Additional financial aid to our Kings Daughters' Hospital.
  2. Improving surface and storm drainage.
  3. Increasing wages of city employees (not elected officials) ten percent.
  4. Increasing financial support to the City-County Memorial Library.
- The \$50,000.00 bond issue which the Commission Council has before the people now will complete three more of the original ten promised improvements and will be financed completely and entirely by revenues received from the City Sales Tax. THERE WILL BE ABSOLUTELY NO ADDITIONAL TAXES LEVIED WHATSOEVER.

Your present City Administration has always been opposed to the issuance of bonds which would entail the levying of additional taxes without placing such an issue before the voters. If the issuance of this \$50,000.00 of bonds would mean an increase in the tax levy, the Commission Council would have placed the proposal before the voters for their approval or disapproval. The individuals who are circulating these petitions would not have had to go to the trouble and expense of circulating a petition requesting an election.

We, the Commission Council urge every person who is being asked to sign this petition, give every consideration to the facts involved in this issue. DON'T BE MISLED BY MISREPRESENTATION; THERE WILL BE NO ADDITIONAL TAXES LEVIED TO FINANCE THIS BOND ISSUE.

We sincerely feel that people who are residing on dirt streets are entitled to consideration in getting relief from the inconvenience they have suffered from dust-eating in the past.

THE COMMISSION COUNCIL CITY OF BAY SAINT LOUIS.

## Why Southern Bell is Asking for a Thorough Study of its Mississippi Telephone Rates

The Mississippi Public Service Commission last adjusted telephone rates for Southern Bell on April 5, 1949. A lot of things have happened since then.

1. Six general increases in telephone wages, an increase in income tax rates and other cost increases since 1949 require more than \$7,500,000 of added revenue.
2. Of this requirement, \$3,600,000 has been covered by rate increases made effective under court order. But there have been no rate changes to care for cost increases since 1952.
3. Today more than \$4,000,000 of additional revenue per year is required just to offset these cost increases.

So much has changed since 1949 that a complete study of Southern Bell's Mississippi revenue needs and telephone rates is now most timely. Accordingly, Southern Bell is asking that the Public Service Commission make such a study and establish "rates which will be fair and reasonable to the consumer, and provide a return" to the Company as authorized by state law.

For the past four years Southern Bell has suffered because the schedules have remained unchanged while the costs of providing service have continued to increase. Earnings are now down to 4 per cent.

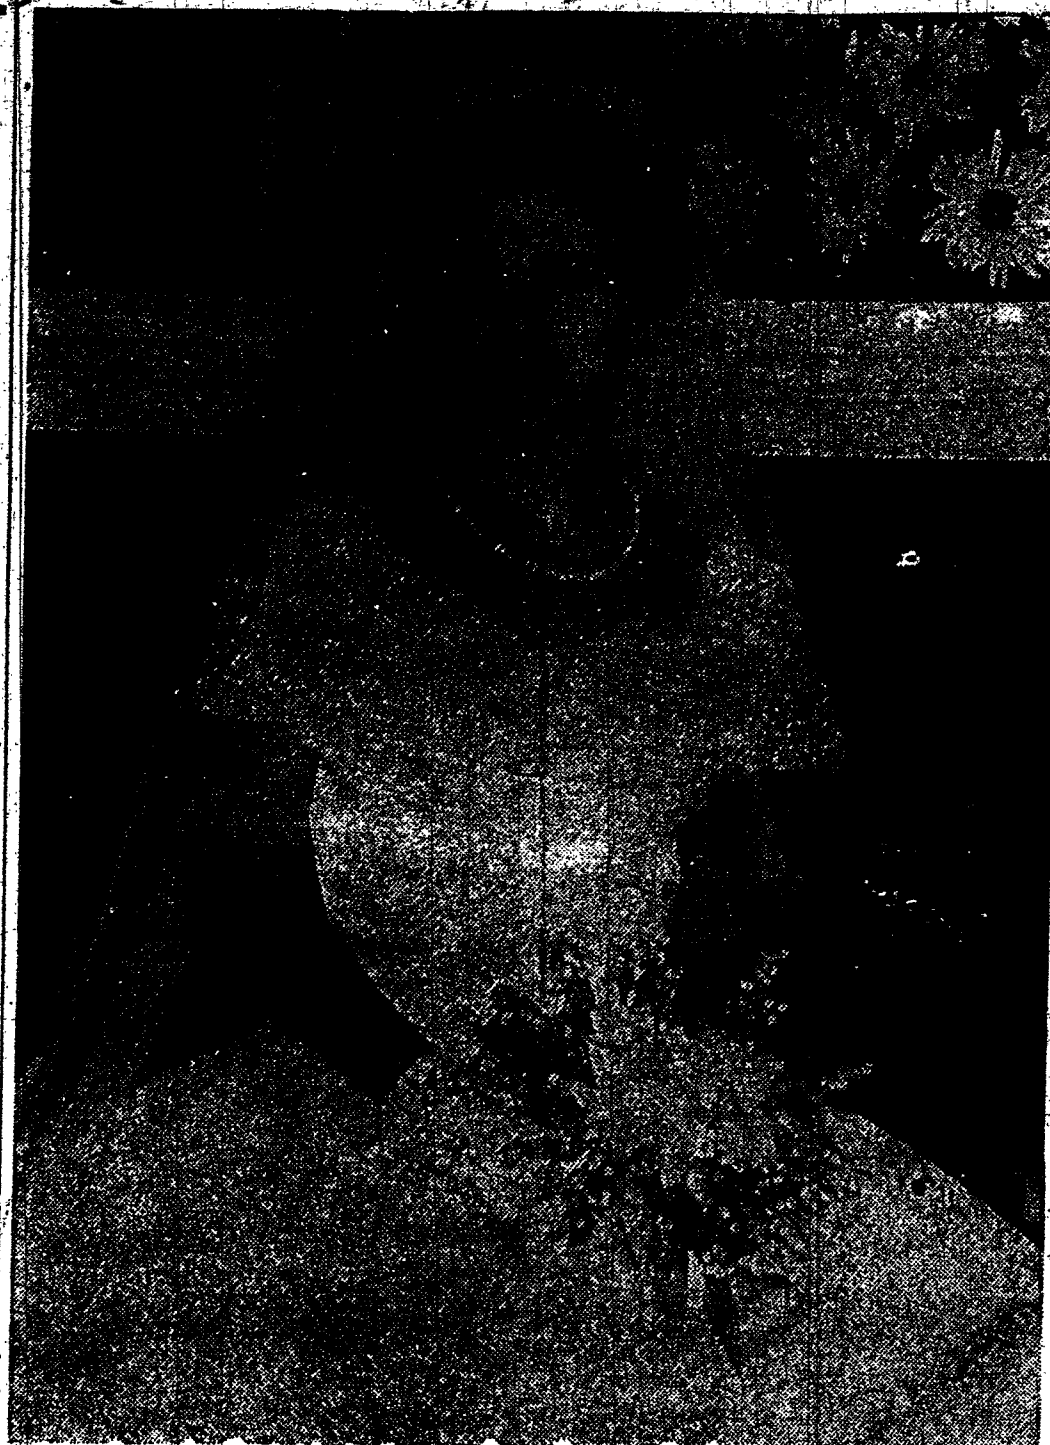

For quick partial relief from this critical earnings situation, we are filing a new schedule of rates to become effective in 30 days. These new rates will provide only about \$2,500,000 in additional revenue... to help see the Company through until fair rates can be established. This partial relief would raise Company earnings to about 5½ per cent.

We need to spend \$30,000,000 in 1956-57 to expand and improve service in step with Mississippi growth and progress. Money to finance this large building program must be obtained, not from customer payments for service but from people who are willing to put their savings in telephone property in expectation of a reasonable return. Our present return is not reasonable. It is too low—and still declining.

That is why we are asking the Commission to make a thorough study of our revenue needs and to fix rates that are fair and reasonable.

J. M. PHILLIPS  
Mississippi Commercial Manager

**Southern Bell Telephone**  
and Telegraph Company

The marriage of Miss Phyllis Church with the Rt. Rev. Msgr. Ann Buckley, daughter of Mr. Joseph McCarthy officiating at and Mrs. Earl Madison Buckley, and Dr. Ronald Lee Powell, son of Mr. and Mrs. Rufus Clarence Powell, of Alexandria, La., was solemnized on last Saturday afternoon at four o'clock at Our Lady of the Gulf altar was banked with potted palms and held lighted white candles.

The petite brunette bride, who was given in marriage by her father, wore a floor-length bridal gown of white tulle and imported Chantilly lace over white Duchesse satin. The dress was made on Empire lines with a fold of lace at the sweetheart neckline. It had cap sleeves and an insertion of lace at the dropped waistline which joined the bouffant skirt in long points. Her veil of illusion was attached to a tiara of pearls and iridescent sequins. She carried an old-fashioned bouquet of lilies of the valley centered with a white orchid.

Miss Carolyn Buckley was her sister's maid of honor. The other bridal attendants were the Misses Marion LaRose and Barbara Smith, cousins of the bride, and Misses Shirley Taylor, White Castle, La., and Barbara Billingsly of Gulfport. They wore identical waist-length gowns of pale blue tulle and Chantilly lace, fashioned with accordion-pleated high bodices. The Empire waistlines were of lace and joined the full skirts. They carried crescent-shaped bouquets of pink feathered carnations and wore tiaras of pink carnations in their hair.

Dr. Charles Crooke of Pensacola, Fla., was Dr. Powell's best man and serving as groomsmen and ushers were Dr. James A. Price, Dr. Thomas Phillips, Hattiesburg, Miss.; Dr. Joseph Sempe, New Orleans; Dr. Lawrence Mable, Donaldsonville, La., and Messrs. James

R. LaRose and Louis Maumus, New Orleans; Larry Mathes, Waveland; and Gerald Gex, Bay St. Louis. The altar boys were Henry LaRose and Albert Blanchard.

A reception was held immediately following the ceremony at the North Beach home of Mr. Henry LaRose, grandfather of the bride, and Mr. and Mrs. Buckley. The fireplace in the living room of the home where the members of the receiving line stood, was banked with potted palms and held a large arrangement of white gladioli. Crystal candelabra held lighted white candles. There were similar arrangements in profusion throughout the reception rooms.

Mrs. Buckley chose for her daughter's wedding a white cotton lace sheath model worn over blue taffeta. Her hat was blue and she wore a corsage bouquet of white orchids. Mrs. Powell, the mother of the bridegroom, wore a turquoise gown, a small white hat and a white orchid.

The five-tiered wedding cake, frosted with roses and topped with a miniature bride and groom, centered the bride's table which was covered with a white Maderia cloth. Daisy blossoms and fern surrounded the cake and crystal candleholders with white candles on either side. Punch was served from a small round table with similar decorations.

Later in the evening the young couple left on a two-week bride's going away outfit was a shrimp colored sheath of linen, a white quater and accessories and the orchid from her bouquet.

Upon the completion of their trip, they will reside in Norfolk, Virginia, where Dr. Powell is stationed.

Of much interest in New Orleans and Baton Rouge and the Mississippi Gulf Coast is the engagement of Miss Colleen Sadie Camperi, daughter of Mrs. Marie Vicare of Baton Rouge and the late John A. Camperi of Los Angeles, California, to Dr. Hewitt Anthony Thian, son of Mr. and Mrs. Victor Nedow Thian of New Orleans and Ashtley, Miss.

well will be stationed as a trip to Gatlinburg, Tenn. The member of the Dental Corps. Dr. and Mrs. J. Henry LaRose, among the out of town guests, Dr. and Mrs. J. Melville Smith, from New Orleans were Dr. Mrs. W. W. Calhoun and Miss and Mrs. J. Brown LaRose, Gertrude Calhoun.

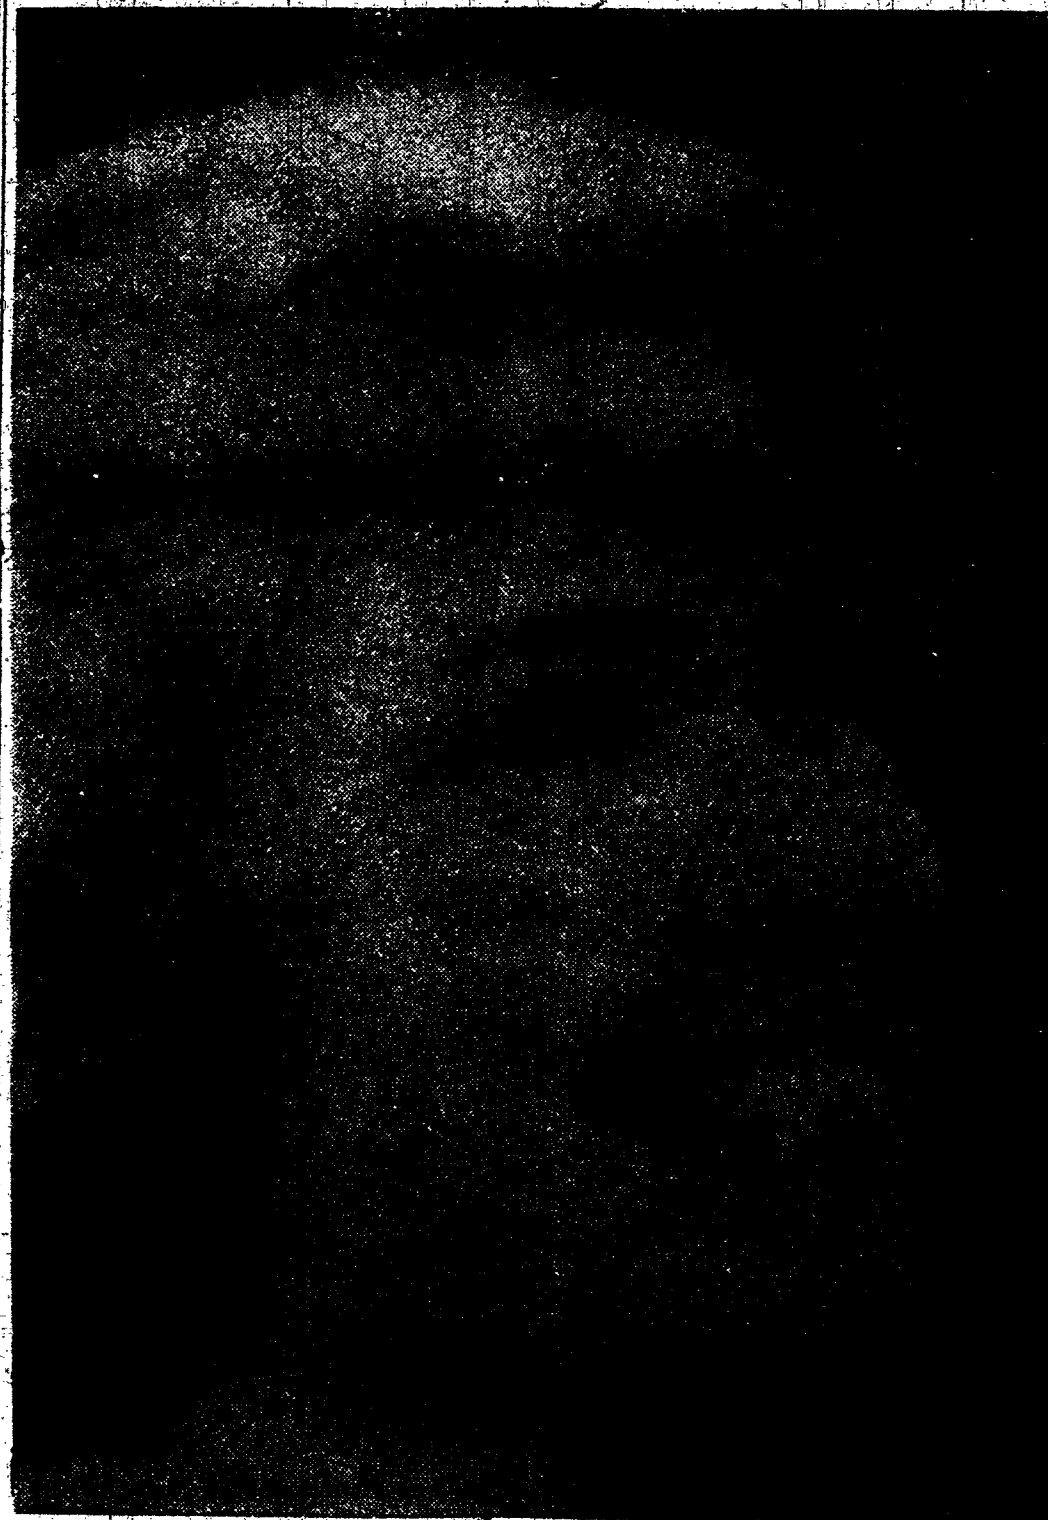

## FOR SALE

**LIVE OAK CAMP  
 SAID MUCH IMPROVED**

Girl Scouts and Brownies from the Bay St. Louis area who go to Camp Live Oak above Gulfport on July 9-20, will find a much improved camp site. The Recreation Hall has been put in good condition and in the event of rainy weather, crafts and various activities are carried on here. Girls will bring nose bag lunches on Monday but on other days, a lunch is prepared under direction of the camp dietitian and served by the girls in their units.

All campers will work toward earning a "Patch", which will represent nature work, hiking, crafts, songs and many other interesting activities completed. All will learn a Swedish dance and the best will be chosen to give this during Regional Conference of five states Oct. 30, during an outdoor campfire and pageant to be held at Naval Reserve Park on Back Bay, Biloxi.

A bus will pick up girls who will assemble at Bay HI at 5 A.M. and will return at 4 P.M.

## Malhes' One-Hitter Highlights!

### Four Ball Games Last Week

Four games were played last weekend in Hancock county field. Although the Bay outfit St. Rose 13-6, they had to get the final out of the 9th inning with St. Rose's winning runs on base.

A rundown of scores shows: Kiln Bootleggers 13-0 over Bay St. Louis; Praline Kings 14-1 over Kiln Bootleggers; Bay St. Rose 13-6 over St. Rose de Lima Youth Center; and the Revenuers leading the Bay St. Louis Red Sox 4-3 in a continued game.

Saturday the Kiln lads handed a Bay St. Louis squad a 13-0 setback on the Kiln diamond. Jerry Mitchell, who slammed a 5th inning home run off relief pitcher Christopher Bell, hurled three-hit ball for Kiln.

Larry Favre started for Bay St. Louis and was relieved by Bell, who in turn was relieved by James Ginn, who was relieved by Raymond Strong in the six-inning game.

The Bay St. Louis Revenuers had to fight off a late St. Rose de Lima rally to edge the one-two punch of Strong brothers Raymond and Donald accounted for seven hits—Raymond collecting four. Larry Favre also slammed out three safeties for the Bay.

A contest between the Revenuers at the Bay St. Louis Red Sox, a newly organized club under the guidance of Ronnie Maurigi, was called in the third inning and will be continued this weekend.

The game, which began at 6:15 p.m., had the Revenuers in a 4-3 advantage. Maurigi and James Ginn, who relieved Grady Perkins in the second act.

A qualified Red Cross instructor and life guards will supervise all water sports and each unit will have a 45 minute period of swimming and instruction each day. Girl Scout leaders all over the country are stressing the importance of camping experience in teaching girls to be self-reliant, at home in the out-of-doors, learning to work well with others and learning a variety of skills. For further information, call Mrs. Donna Peirce at 297-M.

## Natural Gas...

...important factor in  
 the production of **Cement**

The tremendous volume of industrial, commercial and residential construction here in the Gulf South has made ever-increasing demands on the cement industry for a quality product and high output. Natural gas plays a vital role in the production of cement, and serves this industry with dependability and economy. The cement industry of the Gulf South, like other industries locating along the pipe lines of United Gas, is offered adequate, uninterrupted supplies of fuel the year around... an important factor in attracting industry to any community.
